This journal accepts papers in the areas of universal algebra and lattice theory, as well as papers inspired by or having applications to these areas. The Mailbox contains short communications of interest to specialists in these areas. Papers for publication should be sent in triplicate directly to: Executive Editor, Algebra Universalis, Department of Mathematics, University of Manitoba, Winnipeg, Manitoba R3T 2N2, Canada. The author should indicate which member of the Editorial Board he wishes to handle the paper.

Subscription information
This journal appears in 1 volume of 3 issues per year.
Annual subscription: sFr. 168,–, DM 210,–, US$ 110.00, postage not included.
Single issue: sFr. 65,–, DM 82,–, US$ 42.00, postage not included.

Subscription orders should be placed with Birkhäuser Verlag, P.O. Box 133, CH–4010 Basel/Switzerland, or through your bookseller or subscription agency. Claims for undelivered issues must be made promptly – at the very latest, immediately following receipt of the issue succeeding the missing number. Annual subscriptions cannot be cancelled before the fixed date of expiration. Cancellations of standing orders must be effected 2 months before the end of the publishing year.

Copyright
It is a fundamental condition of publication that submitted manuscripts have not been published, nor will be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce ans distribute the article, including reprints, photographic reproduction, microform or any other reproductions of similar nature, and translations. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining, written permission from the publisher: Birkhäuser Verlag, P.O.
